### President's Message

by Barbara Barosa

Happy New Year! I hope everyone had a great holiday season with good friends, family, good health and holiday cheer. We have experienced a bit of snow in New York and the migration to the south has officially begun. Be safe in all your travels and enjoy your winter where ever that is.

We have much planned for this spring. We have elections of all officers at our spring general meeting! The meeting is held on June 6, 2018, and usually at BEES headquarters. There is a form included in this edition to run for an office with RC 22. We represent several thousand retirees on the entire east end of Long Island. It is a large geographic area with a wide group of retiree chapters that function in a variety of ways. RC 22 officially represents your interests at NYSUT Representative Assemblies, at LIPC meetings and at monthly LIRDC meetings. Retirees are an important part of NYSUT and we are called the "daytime army." We can go to meetings when active members are in classrooms or make phone calls when needed during the work day. We stay involved in important political matters that impact retiree lives, as well as education in our state and we need to be vigilant and heard, especially by our elected officials. I hope you will consider running for a position, it is imperative that we remain strong and focused.

Taxes are our new worry in New York, especially on Long Island. With the new Republican tax code bill, many retirees will find themselves in a difficult situation. Average property taxes combined with

state and local income taxes that can be written off as deductions for Long Islanders may be quite a bit above the \$10,000 cap. See your accountant and find out where you stand. It seems the campaign promises have been broken and the middle class will be paying more while the CEO's, businesses and millionaires get a huge tax cut! "Remember in November," when elections happen again.

This issue also contains the registration for the RC 22 trip to Grand Central Station on Wednesday, May 30, 2018. We will have a guided tour, a trip to Chelsea Market and a walk on the High Line. There will be a lot of walking so wear comfortable shoes and layers for the weather in late May. Forms need to be filled out completely and sent to Laura Cappetta who is organizing and collecting checks. We appreciate your cooperation in that endeavor. Remember there are only 51 spots and these trips usually fill quickly on a first come basis.

In the next edition will we print the reservation form for the RC 22 Spring luncheon. That will be held on Wednesday, May 16, 2018, at the Bellport CC, starting at 12 noon. We will be having a gardening expert talk to us about sustainable gardening, as well as a host of NYSUT speakers. Please attend for a lovely lunch, socializing and learning some new information. Hope to see you there.

**MEMBER  
BENEFITS**

**As an Example: With the NYSUT Member Benefits Trust-endorsed MetLife Auto & Home insurance program, NYSUT members receive special group rates on auto insurance, homeowners insurance as well as motorcycle, boat, personal property and other types of insurance -- rates that are NOT available to the general public.**

That is why we encourage you to always look for the “Endorsed by NYSUT Member Benefits” logo before you or your loved ones make any purchasing decisions.

Visit [memberbenefits.nysut.org](http://memberbenefits.nysut.org) or call **800-626-8101** for specific information about this program.

## Newly endorsed Member Shopping Program available for use!

We heard the requests of the NYSUT membership and spent months diligently researching new member shopping program options. The NYSUT Member Benefits Corporation is pleased to announce that the Purchasing Power Member Shopping Program is now available for use by eligible NYSUT members.

Purchasing Power is an online shopping option that offers another way to purchase brand-new, brand-name products and pay for them over time through the ease of payroll deduction or ACH withdrawals. Eligible NYSUT members can enjoy access to products such as computers, appliances, jewelry, furniture, televisions, electronics, travel packages and much more.

While Purchasing Power is not a discount program, it can save you money and stress compared to high-interest credit cards or rent-to-own stores. As always, you are encouraged to shop and compare before making any purchasing decisions.

Visit [nysutmbc.purchasingpower.com](http://nysutmbc.purchasingpower.com) or call **800-537-3135** to learn more.

For information about contractual endorsement arrangements with providers of endorsed programs, please contact NYSUT Member Benefits. Agency fee payers to NYSUT are eligible to participate in NYSUT Member Benefits-endorsed programs.
