President's Message

by Barbara Barosa

This has been a busy late winter season. We are getting prepared for a very important 10-year Federal census to take place. I hope you received the all Long Island newsletter from our Retiree Councils on the upcoming census and have looked at it carefully! Every person needs to be counted to insure we receive full representation in Congress and that we receive all of the desperately needed federal dollars to help with keeping our environment clean, maintaining our quality of education, and availability of social services and so much more!

School budget proposals have been boosted by more state funds, but never enough to cover the growth in some districts and mandates that must be followed, all in accordance with the tax cap in place. It is always a balancing act to provide quality education to our students and not over burden the local taxpayers. The State must help districts to cover the cost of educating our important student population.

This winter brought us impeachment hearings, the beginning of the Caucus season and political ads galore. Remember the ideals that we as educators must adhere to. Equality, democracy, fairness and a level playing field for all of our students is a must. We need to elect candidates who believe in the same principles that we as Union members believe in. We should all agree that we need fair wages, medical equity, retirement security and a

safe environment for future generations. We need to cast our vote, our voices, for those candidates who will help to make that happen!

Congratulations to the four winners of Retiree Council 22 Mini-grants. We had many applications and there were many quality grants that we could not fund. Applying for these grants requires innovation, determination and a level of true commitment to the students they teach. Congratulations to all of the applicants and winners!

We have an RC 22 General Meeting on Wednesday June 3, 2020, at BEES headquarters located at **440 Waverly Road, Patchogue**. The meeting **starts at 10 AM**. Please attend! We are electing a new President, as well as, a slate of officers to carry out our mission as informed and concerned retirees and members of Retiree Council 22. Please help with our mission, become involved, come to a meeting or a luncheon. Hope to see you there.
