President's Message

by Barbara Barosa

I hope this winter's weather has not been too much to handle. We seem to be doing okay with snowfall accumulations, but some very cold weather has hit us in waves! So enough already- hopefully spring is on its way! We hope!

The ever changing news cycle and border security issues continue as we survived the longest government shut down in our nation's history this past December/January. We applaud and thank those government employees who continued to come to work to protect the public, without being paid and doing their jobs as they endured great financial stress. I know as a winter traveler, it would not have been possible or safe without these often under-appreciated people. Thank you.

We have had a rash of politicians throw their hats into the ring for the upcoming Presidential elections in 2020 from both major parties. We will need to be vigilant and support those candidates that support us as educators and public employees. We must be active and participate in this election that will have great consequences for us going forward as a nation. We must always remember our values and beliefs as educators in our society. What I see on the news today does not always reflect how we want our students to treat each other. We as the adults must model positive and humane behavior. We must advocate for the beliefs our great nation was founded on. Freedom for all, not only for some who are privileged and affluent. Politics are important and can affect our lives in dramatic fashion.

We have a Spring General Meeting planned for Wednesday June 12, 2019. It will be held at the BEES headquarters, Eastern Suffolk BOCES, located at 440 Waverly Ave, Building 4, Suite 12, Patchogue, NY at 10 am! At that meeting, we will hold elections for 2 delegates to the NYSUT Representative Assembly and also one alternate

delegate, should they not be able to attend. If you are interested in serving as a delegate and want to run for this position, please read the information in this edition and contact me via email.

We are planning an RC 22 spring trip to some of our Long Island Wineries. The trip will take place on Thursday May 30th. We will be visiting several wineries and a gourmet boxed lunch will be provided. A luxury bus takes you from vineyard to vineyard. We will be traveling from two easy locations, LIE Exit 63 and Tanger outlets!! These trips fill up very quickly, so fill out the application form completely in this edition and send in as soon as possible to secure your spot to take advantage of this wonderful experience!

Have a great end of winter, beginning of spring!! See you at a meeting or trip in the near future!!
